New development of townhouses in Pilar de la Horadada, very close to the town and just 3 km. from the beaches of Torre de la Horadada. The development offers modern terraced houses with 2 or 3 bedrooms and 2 bathrooms, built on one floor with private solarium. They consist of an open concept day area that communicates with the modern kitchen and also have a large outdoor area where we can find a private pool. The homes are delivered equipped with kitchen appliances (extractor hood, oven, hob, fridge and microwave), installation of air conditioning by ducts and garden with watering system.
